

IPPINDO RAMEN HOUSE

Ramen is one of Japan's most popular national dishes.

Tonkotsu, one of many ramen soup varieties, is a much-loved specialty of Hakata, Kyushu (Japan's southernmost island). Tonkotsu soup is perfected by blending soups in three stages of preparation. It is served extra hot, so please use caution when indulging in our signature dish.

替え玉 Kae-dama 2

Kae-dama is a system that offers you an extra serving of noodles. When you have almost finished your first serving of noodles, order by saying, "Kae-dama, please." In a few minutes the server or Ramen Chef will bring you another 'ball of noodles' and put it in the soup. At that time, you must have enough soup in the bowl to accommodate the new noodles; that is, you shouldn't drink too much of the soup if you are going to order the Kae-dama!
